Governor Ducey Issues Order Delaying Evictions For Renters

Impacted By COVID-19

News Release

March 24, 2020

PHOENIX — Governor Ducey today issued an executive order delaying the enforcement of eviction action orders for renters impacted by COVID-19. The order applies to renters who are quarantining due to COVID-19 or are facing economic hardship as a result of the outbreak. It will remain in effect for 120 days.

“Nobody should be forced out of their home because of COVID-19,” said Governor Ducey. “This order is about protecting public health and providing relief to families impacted by this virus — whether through sickness or economic hardship. This is the right thing to do to support Arizona families during their time of need and prevent the spread of COVID-19.”

Today’s action aligns with recent federal actions. On March 18, the U.S. Department of Housing and Urban Development (HUD) announced a suspension of all evictions for HUD-financed properties. On the same day, the Federal Housing Finance Agency (FHFA) directed Fannie Mae and Freddie Mac to suspend foreclosures and evictions for at least 60 days due to the coronavirus national emergency.

The Arizona Department of Housing offers assistance to Arizonans struggling to make mortgage payments. Through the Department’s “Save Our Home AZ” (SOHAZ) program, Arizonans may qualify for:

- Principal Reduction Assistance,
- Monthly Mortgage Subsidy Assistance for under and unemployed Arizonans,
- And Second Lien Elimination Assistance.

SOHAZ Program questions may be directed to the Arizona Department of Housing, Monday through Friday, from 8:00 a.m. – 5:00 p.m. by calling (602) 771-1000 or by visiting housing.az.gov/save-our-home.

View information on the SOHAZ program [HERE](#).

The Arizona Department of Housing also operates a toll-free hotline staffed with housing counselors to answer questions about housing in Arizona. To reach a housing counselor toll free, Arizonans can call: 1-877-448-1211.
