ASU Youth Voter Engagement Academy

Outreach Ambassador Job Description

Description:

Are you interested in going online to help register and support voters in neighborhoods with low voting rates, and getting PAID for it? Opportunities for Youth and the ASU Congressman Pastor Center for Politics are hiring Youth Outreach Ambassadors to help reach young adults in Maricopa County with information about voting and elections in Arizona. Ambassadors can earn up to $2,500* by completing training and carrying out a range of online outreach activities targeting youth ages 16-24 with a special focus on Congressional Districts 3 and 8 (much of the West Valley). This project will run from June through mid-November.

This project is a partnership between the Congressman Ed Pastor Center at ASU, and Opportunities for Youth (OFY). OFY is an ASU initiative to reengage Maricopa County young adults ages 16-24 who are not working and not in school, and support them in their pursuit for success by connecting them with the career and/or educational resources and opportunities for professional and personal development.

Essential Duties & Requirements:

- Participate in training on Arizona Voter Registration processes and requirements
- Participate in training on basic Arizona election information and voting processes
- Work in teams and individually to create online engagement strategies targeting eligible voters in areas with low voter turnout
- All work will be done online until the COVID-19 social distancing requirements are no longer in place.
- Be a part of a National movement of Young Leaders, united to increase opportunity and decrease poverty in America - Opportunities Youth United, https://oyunited.org/
- All candidates must be a US citizen or permanent resident, or have a visa that is eligible to work for ASU

Compensation

- Earn up to $2,500 in stipends and bonuses. Up to $2,000 in stipends will be paid in monthly installments of $333 between June and November 2020 based on successful completion of monthly online training modules and outreach activities set by the design team. You can increase your base salary through bonuses and contests (up to an additional $500).
Knowledge, Skills and Abilities:

- Strong communication skills (verbal and written)
- Ability to work independently and as part of a team
- Experience with use of social media platforms to promote a message
- Ability to be flexible as specific tasks will change with the evolution of the program
- Preference for candidates familiar with West Valley organizations, businesses, and agencies serving youth ages 16-24
- Bilingual Spanish speakers preferred but not required

Preferred Experience:

- Interest and/or interest in community outreach and development; helping to make a difference in the lives of young adults in our local community.

Working Environment:
All work will be done online until the COVID-19 social distancing requirements are no longer in place. Online training and meetings may require extended periods of sitting, keyboarding and manipulating a computer mouse. Regular activities require ability to quickly change priorities, which may include and/or are subject to resolution of conflicts. Ability to clearly communicate verbally, read, write, see and hear to perform essential functions.

If social distancing restrictions are lifted during the course of this project, additional outreach activities may be conducted out in the community, including assisting with events and with assisting voters.
